

Urlaub mit neuem ZEITgefühl

Dear guest of Hotel Eschenhof Dear dog owner!

Dogs are not allowed in all hotels!

In order to get along with each other we would like our guests & dog owners to obey the following rules:

- dogs should behave themselves;
- we beg you please not to leave your dear pet alone in the hotel (except room);
- we are a dog-friendly house: in order to get along with each other we beg you please to lead your dog always on the leash;
- we would be pleased if you could avoid to take your dog to the restaurant (except from the bar and the fireplace hall), in the wellness area. The hygiene laws in Austria are the strictest of all European Union!
- Please inform the chamber maids or the reception as to when the room is free (your dog is not in there) so that it can be cleaned.
- Please notice that if your dog will damage/make something dirty in the room/in the hotel and also outside the hotel you will be asked to clean it yourself/pay for the damage
- In our hotel the muzzle is not compulsory, but we hope that your dog will behave!

We would also like to inform our guests that we will reserve to charge you if your dog will damage furniture/the environment.

Please read carefully these information sheet and send it back to us signed per email or per fax.

We wish you nice holidays to you and to your dogs in our hotel Eschenhof!

Best regards

Yours Ortner family
