Holiday with a new sense of TIME

## Ortners' Eschenhof\*\*\*\* – Alpine Slowness

**Time for me, time for you, time for us...Experience a holiday with a new sense of time at Eschenhof!**

Spend an enjoyable holiday in an absolutely quiet location right in the centre of Bad Kleinkirchheim. Revitalise yourself amidst the nature of the biosphere reserve. Whether by bike, e-bike or with your hiking shoes in summer, or with snow shoes or skis in the wintery Nockberge, one thing is for sure: you will leave everyday life far behind and be in close touch with nature.

You will feel quite at home in the "large living room" of Eschenhof. The cosy rooms and family apartments have modern interiors with many thoughtful details and are a personal oasis of tranquillity for every guest.

Time for yourself, time for your partner, for the family: find complete relaxation to suit all requirements in the family wellness area with an outdoor and indoor pool and in the spacious Eschenhof spa with beauty treatments, massages, quiet oases, various sauna attractions and a separate adult area.

The organic meals from the regional "Green Toque Cuisine" will make your healthy holiday for your body and spirit perfect!

Children are also well taken care of. Eva and the kids' pavilion await children every day with fun and creative games ideas – with and in nature.

"Mountains of holiday fun"...
